

Rust Loosener and Contact Spray

Rust Loosener

Sixfold function

The six-fold function of WEICON Rust Loosener and Contact Spray makes it indispensable for repairs, maintenance and service works. Thanks to its excellent capillary action, Rust Loosener and Contact Spray reaches even extremely narrow spaces. The 3-way spray valve makes it possible to work in any position (even overhead). WEICON Rust Loosener and Contact Spray loosens rusted and seized parts, screws, bolts, joints and hinges, dispels water from ignition systems, secures the function of mechanical parts and contacts, e.g. on distributor caps and spark plugs, sustainably protects against corrosion and oxidation, provides long-lasting lubrication to sliding surfaces, and cleans and maintains metal surfaces, mechanical parts and electrical systems.

Processing

Shake can before use. Apply Rust Loosener and Contact Spray from a distance of approx. 5 cm and allow to take effect for approx. 30 seconds.

Storage

Pressurized container. Protect from direct sunlight and temperatures above +50°C.

Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes

- 10023536 Rust Loosener and Contact Spray, 400 ml, beige
- 10059908 Rust Loosener and Contact Spray, 400 ml, beige

Technical data

Odour	Kerosene
Colour	beige
Specific properties	6-fold function
Silicone-free	yes
Kinematic viscosity (40°C)	21 mm ² /s
Kinematic viscosity (100°C)	4 mm ² /s
Temperature resistance	-20°C to +150°C
Shelf life	24 mon.

Approvals / Guidelines

ISSA Code	53.402.09
IMPA Code	450823
