

## Cleaner Spray S

**Degreases and cleans all metals, glass, ceramics and most plastics**

WEICON Cleaner Spray S removes oily and greasy soiling from all metals as well as from ceramics, glass and most plastics. It can, however, attack the surface of thermoplastics such as PVC, Plexiglas, polystyrene and single layers of paint. WEICON Cleaner S evaporates quickly and, in contrast to conventional thinners, without leaving residues. It can be used for cleaning and degreasing before priming and painting, for cleaning machine parts, or before other WEICON products are applied to surfaces where a greasy underground would impair their effect.

### Technical data

Odour	orange
Colour	transparent
Specific properties	evaporates without residues
Silicone-free	yes
Chlorinated	no
Minimum shelf life	at room temperature 24 mon.
AOX-free	yes

### Approvals / Guidelines

ISSA Code	53.402.01
IMPA Code	450801

### Application

Spray in sufficient quantity onto the part to be treated and allow to react. If necessary, wipe off with a clean cloth. Repeat process as required. Avoid contact with plastic and varnished surfaces.

### Storage

Container is pressurised. Protect from direct sunlight and temperatures above +50 °C.

### Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

### Available sizes

10000147 Cleaner Spray S, 500 ml, transparent
