

## Cleaners and Degreasers

# Fast Cleaner

### Cleaning and degreasing agent for sensitive areas | NSF registration

The Fast Cleaner has an NSF registration for the food sector and can therefore be used as a cleaning and degreasing agent for the removal of contamination generated during maintenance work and for the removal of adhesive residues in the food and beverage industry as well as in the pharmaceuticals and chemical industries. Fast Cleaner is used to clean and degrease surfaces which are bonded or sealed with WEICON adhesives and sealants, or which are going to be coated with WEICON Metal Sprays. Fast Cleaner is pH-neutral and material-compatible and can be used on many different materials such as metals, glass, ceramics and most rubbers and plastics. Due to its special formula and the resulting NSF registration, the Fast Cleaner can contribute towards improvements in occupational safety and health protection.

#### Characteristics

Specific properties	NSF A1 registration
Colour	colourless, transparent
Odour	solvent
suitable for processing with	WSD 400   WPS 1500
Minimum shelf life	at room temperature 24 mon.

#### Thermal parameters

Temperature resistance	-10°C to +50°C
------------------------	----------------

#### Chemical properties

AOX-free	yes
----------	-----

#### Approvals / Guidelines

IMPA Code	551588
MIL-Spec	complies with A-A-59281

### Application

Immerse the part to be cleaned or brush or spray generously (e.g. with Pressurized-Air Spray Can). Wipe wet surfaces with a clean cloth to ensure that soiling and waste solvent are removed thoroughly. Repeat, if necessary. Allow solvent to evaporate, until surfaces are dry.

### Storage

Keep tightly closed in original packaging. Protect from direct sunlight. The storage temperature must not exceed +50 °C. Keep container in a cool, well-ventilated place. Store in a dry place.

### Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

### Accessories

10000393	Adapter for WSD 400, 1 PCE
10009303	Spray Set for WSD 400, 1 PCE
10009301	WSD 400 Pressurized-Air Spray Can, 1 PCE
10000398	Adjusting Valve for cans, 1 PCE
10016002	Pump Dispenser WPS 1500, 1 PCE
10016213	Extension tube for WPS 1500, 1 PCE
10000402	Pump Dispenser Special, 1 PCE

### Available sizes

10048254	Fast Cleaner, 1 L, colourless, transparent

#### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
