

## Industrial Cleaner

Nonfood Compounds  
Program Listed **K1, K3**  
Registration **159895**

### Powerful special cleaner with high yield

WEICON Industrial Cleaner is suitable for universal use. It cleans, degreases and evaporates without leaving residues. The cleaner removes grease, oil, soot and other dirt and residues. The spray cleans many surfaces fast and easily, such as metals, glass and many plastics. Industrial Cleaner can be used in many different areas. It is even suitable for sensitive surfaces, such as plastics, rubber materials or powder-coated metal pieces. The cleaner operates with a highly compressed propellant. Therefore, it has a very high active ingredient content of 95 %. This means that the cleaner is very economical, so one container covers a significantly higher number of applications.

#### Technical data

Odour		solvent
Specific properties		highly effective, 95 % active ingredient content
Silicone-free		yes
Minimum shelf life	at room temperature	24 mon.
AOX-free		yes
Boiling point	Technical Liquid	80 °C

#### Approvals / Guidelines

NSF		K1, K3 (FDA 21 CFR)
ISSA Code		75.634.24

#### Application

Spray generously onto the part to be cleaned and allow to take effect; wipe with clean cloth, if required. Repeat, if necessary.

#### Storage

Container is pressurised. Protect from direct sunlight and temperatures above +50 °C.

#### Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

#### Available sizes

10060155 Industrial Cleaner, 500 ml
