Technical Sprays
Lubricating and Multifunctional Oils

AT-44 Allround Spray

With PTFE super power

WEICON AT-44 is a silicone-free all-round spray with PTFE. Thanks to its special formula and very low friction coefficient, WEICON AT-44 combines corrosion protection, cleaning, water displacement, lubrication and conservation in a single product. The high-performance lubrication oil loosens seized threads, bolts, fittings and valves, dispels moisture from electrical cables, prevents tracking currents and makes it easier to start wet motors. It eliminates squeaky and creaky noises on hinges, guides, bearings and all types of joints and couplings. It cleans soiled surfaces and leaves a razor-thin film which does not smear or stick and does not attract dust. It protects and maintains all types of tools, machines, and electrical and mechanical precision devices.

Technical data

Odour		vanilla
Colour		pale yellow, transparent
Specific properties		with PTFE
Silicone-free		yes
Minimum shelf life	at room temperature	24 mon.
Kinematic viscosity (40°C)		21 mm²/s
Kinematic viscosity (100°C)		4 mm²/s
Temperature resistance		-50°C to +210°C
Compatible with Double Nozzle		yes

Approvals / Guidelines

ISSA Code	53.402.24
IMPA Code	450830

Application

Shake can well and apply from a distance of approx. 5 cm, then allow to take effect for approx. 30 seconds.

Storage

Container is pressurised. Protect from direct sunlight and temperatures above +50 °C.

Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes

10000149 AT-44 Allround Spray, 150 ml, pale yellow, transparent
10000150 AT-44 Allround Spray, 400 ml, pale yellow, transparent
10059928 AT-44 Allround Spray, 400 ml, pale yellow, transparent
