

# Chain and Rope Lube Spray

## Adherent and high-pressure-resistant

WEICON Chain and Rope Lube Spray is a synthetic, transparent adhesive lubricant for the permanent internal and external lubrication of all types of highly stressed chains and wire ropes. Chain and Rope Lube Spray is particularly strongly adherent, has excellent creeping properties, suppresses noise, repels water and prevents elongation, friction and wear. The spray can be used on all types of chains and wire ropes, gearwheels, worm gears, fast-running machine parts, joints, couplings, rollers, ball bearings and spring assemblies in many industrial applications.

### Technical data

Odour	mineral oil
Colour	transparent
Specific properties	sound-absorbing
Silicone-free	yes
Kinematic viscosity (40°C)	77 mm <sup>2</sup> /s
Kinematic viscosity (100°C)	8 mm <sup>2</sup> /s
Temperature resistance	-40°C to +200°C
Shelf life	24 mon.

### Approvals / Guidelines

ISSA Code	53.402.15
IMPA Code	450829

### Processing

Shake can before use. Spray on cleaned and dry surfaces from about 15 cm distance. Can afterwards also be used during operation under observation of the respective safety regulations.

### Storage

Pressurized container. Protect from direct sunlight and temperatures above +50°C.

### Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

### Available sizes

10000155 Chain and Rope Lube Spray, 400 ml, transparent

#### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
