

Smoke Detector Test Spray

Silicone-free | evaporates without leaving residues

WEICON Smoke Detector Test Spray is ideal for checking the correct functioning of optical or photoelectric smoke detectors fast, safely and without additional equipment. Smoke Detector Test Spray evaporates without leaving any residues and does not soil the smoke detectors. WEICON Smoke Detector Test Spray can be used wherever photoelectric smoke detectors are installed – for example in industrial plants, public institutions or private households.

Application

Shake can well before use and spray WEICON Smoke Detector Test Spray from approx. 30 cm for up to five seconds into the direction of the smoke detector. If there is no reaction, the test must be repeated. If there is still no reaction after several tests, the smoke detector is defective and must be replaced.

Storage

Container is pressurised. Protect from direct sunlight and temperatures above +50 °C.

Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes

- 10031819 Smoke Detector Test Spray, 150 ml, transparent
- 10058705 Smoke Detector Test Spray, 250 ml, transparent
- 10068041 Smoke Detector Test Spray, 150 ml, transparent

Technical data

Odour	smells like solvent
Colour	transparent
Specific properties	silicone-free, evaporates without residue
Silicone-free	yes
Minimum shelf life	at room temperature 24 mon.

Approvals / Guidelines

IMPA Code	331077
