

Mould Release Agent Wax P 500

for release processes from rough and/or porous surfaces

P 500 is a release agent based on wax for epoxy resins and polyurethanes. It is particularly suitable for release processes from rough and/or porous surfaces.

Characteristics

Minimum shelf life	at room temperature	24 mon.
--------------------	---------------------	---------

Approvals / Guidelines

MIL-Spec	complies with	MIL-T-83523
----------	---------------	-------------

Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Surface Pre-Treatment

The surface to be treated must be clean, dry and free of grease (e.g. clean and degrease with WEICON Surface Cleaner).

Application

Apply Mould Release Agent Wax P 500 to the surface with a primer applicator or spatula (we recommend the WEICON Primer Applicator and the WEICON Processing Spatula) and polish evenly if necessary. The process should be repeated for new moulds or particularly absorbent surfaces. Excess mould release agent or residues can be removed effectively with the WEICON Surface Cleaner.

Storage

Store at room temperature in a dry place. Unopened containers can be stored at temperatures from +18 °C to +25 °C. Protect from direct sunlight.

Scope of delivery

Substance

Available sizes

10026171	Mould Release Agent Wax P 500, 0,5 kg
10026712	Mould Release Agent Wax P 500, 150 g
10060178	Mould Release Agent Wax P 500, 2,5 kg

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
