

CLEANING AGENTS

OVERVIEW

Gentle Cleaners

Strong Cleaners

Cleaner Spray S

- cleaner and degreaser for all metals, glass, ceramics and many plastics
- evaporates without leaving residues

Surface Cleaner

- for cleaning and degreasing surfaces, such as metal, glass, ceramics and most plastics
- for the pretreatment of bonding surfaces
- evaporates without leaving residues

Activating Cleaner

- cleaner and primer in one product
- for the pretreatment of bonding surfaces

Parts and Assembly Cleaner

- specially developed cleaner with high flash point (>+60°C) of the active ingredient
- long reaction time for the removal of coarse, oily, resinous and greasy soilings

Fast Cleaner

- cleaner and degreaser for sensitive areas
- **NSF-A1** registration for the food sector (registration 156578)
- pH-neutral and material-friendly
- optimised to increase workplace safety

Multi-Foam

- strong universal cleaner for residue-free cleaning
- ecologically neutral, biodegradable, phosphate- and formaldehyde-free and free from corrosive and caustic additives

Sealant and Adhesive Remover

- for metal, wood, glass, ceramics, polyethylene and polypropylene
- reliably removes carbon accumulations, paints and varnishes as well as oils, resins, greases and tar
- removes adhesive residues of all kinds, even cured cyanoacrylates and anaerobic adhesives

Industrial Cleaner

- removes grease, oil, soot, and other impurities and residues
- for the cleaning of machine and plastic parts as well as metal surfaces
- **NSF-K1/K3** registration for the food sector (registration 159895)

Plastic-Cleaner

- cleaner and degreaser for sensitive surfaces
- evaporates without leaving residues

Citrus Cleaner

- universal cleaner based on citrus peel extracts
- easily removes adhesive residues, oil, grease, resin and tar soilings, lubricants, as well as rubber residues and rubber abrasion (also suitable for removing stains caused by pencils, pens, felt-tip pens and permanent markers)

Metal-Fluid

- care, protection and cleaning of matt and polished metal surfaces
- also protects and cleans ceramics, wood, glass and plastics
- **NSF-A7** registration for the food sector (registration 135124)

Foam Cleaner

- universally applicable and can be used for the cleaning and degreasing of water-resistant surfaces and for the removal of soilings on plastic, glass and textile surfaces
- **NSF-A1** registration for the food sector (registration 157612)
- optimised to promote occupational safety

Special Cleaners

Brake Cleaner

- universal cleaner for the motor vehicle sector
- cleans metals, glass and many plastics fast and easily
- removes oily and greasy soilings and residues

Burner Cleaner

- especially for removing different kinds of soilings from burner parts
- Burner Cleaner can be used on blast connections and baffle plates, on fan wheels and inner housings, on ignition electrodes etc.

Electro Contact Cleaner

- special cleaner for the fast and effective cleaning and degreasing of soiled or corroded contacts
- removes oxide/sulphide layers, combustion residues as well as resinous or sooty dust accumulations
- reduces voltage drop and increases electrical conductivity

Mould Cleaner

- special cleaner based on highly active organic solvents
- effectively removes waxes, silicones, oils, non-cured PUR residues and other soilings

Screen Cleaner

- for the cleaning and maintenance of sensitive plastic and glass surfaces
- gentle and streak-free
- antistatic and anti-reflective

Visor Cleaner

- special cleaner based on highly active organic solvents
- for the cleaning and maintenance of sensitive plastic and glass surfaces
- removes soilings caused by insects, dirt, dust, grease and nicotine

Cleaner M

- cleans and degreases all metals, plastics, rubber, glass, ceramics, wood, or painted and coated surfaces
- powerful and precise in cleaning grease, oil, resin, soot, wax, release agents, forming substances, cooling lubricants as well as label and adhesive residues.

- ▶ 1 L 15225001
 - ▶ 5 L 15225005
 - ▶ 10 L 15225010
 - ▶ 28 L 15225028
- (Only available as a liquid agent!)

▶ Double Nozzle 11953058

- can be equipped with the multifunctional spray head Double Nozzle
- can be sprayed upside down
- residue-free evaporation
- safe use in food contact applications and water treatment
- also available as a liquid agent
- spray tube included in delivery
- spray jet
- atomised spray
- foam
