

Cable Strippers

Cable Stripper No. 35 - 50

WEICON Stripping Tools enable the precise, fast and safe stripping of all common round cables. The product family of cable strippers includes different types featuring different additional functions and thus meeting the individual application requirements of their users.

The Cable Stripper 35-50 enables precise, fast and safe stripping of all common round cables with a diameter between 35 and 50 millimetres. The Cable Stripper has a non-slip, multi-component handle with ergonomic shape. Thanks to the set screw on the back of the handle, the cutting depth can be adjusted with an infinitely variable range. This prevents damaging the inner conductor. The cutting blade is integrated in the housing and self-rotating, thus enabling the automatic adjustment from circular to longitudinal cutting.

Technical Data

Cable type	PVC insulation
Application area	outer diameter 35 - 50 mm
Additional use	Safety bracket without blade
Material	fibreglass-reinforced polyamide
Inner blade	adjustable + replaceable
Accessories	Spare blade, art. no. 5010001
Approval / certificate	Safety tested by TÜV NORD
Weight	95 g
Length	175 mm
Article number	MA50050450
Approvals / Guidelines	
IMPA Code	812994
