

Cable Stripper H.D. No. 1000

WEICON Stripping Tools enable the precise, fast and safe stripping of all common round cables. The product family of cable strippers includes different types featuring different additional functions and thus meeting the individual application requirements of their users.

Cable Stripper HD No. 1000 is very robust and enables precise, fast and safe stripping of particularly thick cable types. The different layers of multi-insulated cables can easily be cut with the HD No. 1000. The bent blade tip limits the cutting depth and prevents damage of the inner conductors. The blade is tested according to DIN EN 60900 for working on live cables and can withstand up to 1000 volts.

Technical Data

Cable type	multiply insulated and thick cables with PVC insulation
Additional use	the shoe-type blade tip limits the cutting depth and prevents damage of the conductors
Material	fibreglass-reinforced polyamide
Inner blade	Carbon steel - therefore easier to regrind
Approval / certificate	Individual testing according to DIN EN 60900
Weight	96 g
Length	200 mm
Article number	MA51001000
Application area	for heavy-duty stripping of thick-size cables and cutting of multi-sheathed cables

Attention:
Tool not to be used on live cables or conductors.
