

4 in 1 Flat and Round Cable Stripper

► Stripping of round and flat cables even in very confined spaces, such as junction boxes or cable ducts.

► Stripping function integrated into the housing (0.5 to 6 mm²).

► Round and longitudinal cutting for all common round cables with a diameter of 6 to 13 mm.

► The unique bracket also enables longitudinal cutting of all common flat cables up to a width of 18 mm.
