GUN CARE & MAINTENANCE

Cleaning Lubricating Protecting
Cleaning Lubricating Protecting
Cleaning Lubricating Protecting

GUN OIL

Special oil for all types of firearms

Thanks to a special formula and excellent creeping properties, this Gun Oil combines corrosion protection, water displacement, lubrication, preservation and cleaning in a single product. It protects and maintains all types of firearms and keeps them in working order.

	Art.-Nr.	Double Nozzle	PU
50 ml	10105771	additionally available	48
200 ml	10105769	additionally available	12
400 ml	10105767	included in delivery	12

GUN CLEANER

Special cleaner and degreaser for all types of firearms

The cleaner reliably removes grease, dirt and residues from the barrel, breech, cartridge chamber, moving parts such as the firing pin or trigger, as well as from hard-to-reach areas inside the gun.

	Art.-Nr.	Double Nozzle	PU
150 ml	10106191	additionally available	12
400 ml	10105773	additionally available	12

GUN PROTECT

Corrosion protection for firearms, ammunition and metal parts

Protective film that permanently coats metal parts with a dry, waxy layer, protecting them from moisture, rust, oxidation and flash rust. The spray is suitable for protecting metal parts as well as firearms and ammunition – providing reliable, long-lasting protection against rust.

	Art.-Nr.	PU
400 ml	10105775	12

Complies with Mil-Spec.: MIL-C-16173

GUN GREASE

Special lubricant | corrosion protection | wear protection

The gun grease provides reliable protection against corrosion and wear. It is used to lubricate all moving parts, such as the slide guide or the breech housing. It forms a protective layer against rust and corrosion and provides effective protection against abrasion.

	Art.-Nr.	PU
30 g	10105821	20
120 g	10105778	24

FOAM CLEANER

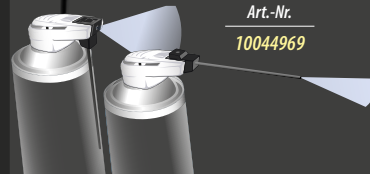

Powerful foam cleaner for firearm and optic cleaning

Powerful universal cleaner for residue-free cleaning of rifles, handguns, sporting firearms, optics, rifle scopes and accessories. Reliably removes grease, fingerprints, dirt, mud splashes and residue from the bolt, stock, grip, barrel, magazine and many other parts.

	Art.-Nr.	PU
150 ml	10106567	12

DOUBLE NOZZLE

Suitable for:
**Gun Oil
Gun Cleaner**

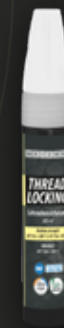

Art.-Nr.
10044969

THREAD LOCKING

Threadlocker | medium-strength | removable with standard tools

Anaerobic adhesive for securing threaded fasteners on handguns, long guns and sporting firearms of all kinds. Prevents unintentional loosening of threaded fasteners caused by vibration or impact. For securing a wide range of threaded fasteners – on stocks, rifle scopes, sling swivels, grip panels, cover plates and firearm mounts.

	Art.-Nr.	PU
10 ml	10106565	20

NEW

SETS

GUN CARE

Set 10106622

Contains 1x each of:

150 ml Gun Cleaner
50 ml Gun Oil
30 g Gun Grease
Double Nozzle
Microfibre cloth

5-piece

GUN CARE AND REPAIR

Set 10106623
