

Round Cable Stripper No. 13 Green Line

With the Green Line, a very special tool range has been developed. The tools are made of up to 97 % renewable raw materials. The Green Line includes various cable strippers, wire strippers, and multifunctional stripping tools. WEICON Wire Strippers enable the fast, easy and even stripping of stranded and solid conductors. The wire stripper feature an ergonomic shape as well as an automatic scanning system, which identifies the cable diameter. This prevents damaging the inner conductor. The product family of wire strippers comprises several types, which are suitable for different applications and tailored to the users' individual needs. The wire strippers are used in skilled trades as well as in industrial applications, and they are also suitable for use in the domestic sector.

The Round Cable Stripper No. 13 enables fast and convenient stripping of all common round and wet room cables with adiameter of 6.0 - 13.0 mm (e.g. NYM cables 3 x 1.5 mm² to 5 x 2.5mm²). Adjusting the cutting depth manually is not necessary. The new working range is thus also suitable for smaller wire diameters from 6 mm, such as 3 x 0.75 mm². Thanks to the ergonomic handle shape, the tool is particularly comfortable to use. The distinctive handle of the Round Cable Stripper No. 13 ensures a safe, non-slip grip. This helps to make daily work easier and also improves work safety. The rounded and space-saving tool head perfectly matches the modern wall box geometry. The longer shape makes access even easier when stripping in deep-set cavity wall boxes and spaces difficult to reach. Due to the new blade arrangement, clogging of the electro-galvanised knives caused by residue of cable sheaths is prevented. For possible small series or for producing wires with the same strip length, a length stop is integrated in the housing. A fastening clip ensures safe storage of the tool.

Stripping Tools

Technical Data

Cable type	round and wet room cables
Application range	outer diameter 6 - 13 mm (e.g. NYM 3 x 1.5mm ² bis 5 x 2.5mm ²)
Additional use	length stop in the housing
Material	fibre-glass-reinforced biopolymer such as polyamide
Inner blade	built-in, not replaceable
Approval / certificate	safety tested by TÜV NORD
Weight	48 g
Length	137 mm
Article number	10062008

Attention:
Tool not to be used on live cables or conductors.
