Wire Strippers

Wire Stripper No. 5 Green Line

With the Green Line, a very special tool range has been developed. The tools are made of up to 97 % renewable raw materials. The Green Line includes various cable strippers, wire strippers, and multifunctional stripping tools. WEICON Wire Strippers enable the fast, easy and even stripping of stranded and solid conductors. The wire stripper feature an ergonomic shape as well as an automatic scanning system, which identifies the cable diameter. This prevents damaging the inner conductor. The product family of wire strippers comprises several types, which are suitable for different applications and tailored to the users' individual needs. The wire strippers are used in skilled trades as well as in industrial applications, and they are also suitable for use in the domestic sector.
