

Quadro-Stripper No.16 Green Line

With the Green Line, a very special tool range has been developed. The tools are made of up to 97 % renewable raw materials. The Green Line includes various cable strippers, wire strippers, and multifunctional stripping tools. WEICON Wire Strippers enable the fast, easy and even stripping of stranded and solid conductors. The wire stripper feature an ergonomic shape as well as an automatic scanning system, which identifies the cable diameter. This prevents damaging the inner conductor. The product family of wire strippers comprises several types, which are suitable for different applications and tailored to the users' individual needs. The wire strippers are used in skilled trades as well as in industrial applications, and they are also suitable for use in the domestic sector.

Stripping of all common round cables from 8 - 13 mm ϕ , hook blade and stripping range are integrated. Fast and easy longitudinal cutting due to optimised cable routing in the housing. Integrated stripping range for all stranded and solid conductors with cross-sections of 0.5 mm², 0.75 mm², 1.5 mm², 2.5 mm², 4.0 mm² and 6.0 mm². Retractable hook blade, firmly lockable in any position and easy to change.

Technical Data

Cable type	all common round and wet room cables with PVC insulations
Application range	stripping of conductors 0.5 - 6.0 mm ²
Additional use	replaceable hook blades, lockable in different positions
Material	fibreglass-reinforced biopolymer such as polyamide
Inner blade	built-in, not replaceable
Additional value	exchangeable hook blade, firmly locked in any position
Approval / certificate	safety tested by TÜV NORD
Accessories	52953040 Hook Knife for No. 16
Weight	53 g
Length	125 mm
Article number	10062006

Attention:
Tool not to be used on live cables or conductors.
